REGALIA

This year, we are teaming up with Lands' End to provide the Regalia items. This gives you full control over the style, color, and size of your chosen item, and you can have the crew at Lands' End embroider the specially designed 2027 Mid-America Classic logo in the location of your choice. They have men's and women's tops and outerwear, as well as hats and many other articles. Your customized item will be delivered to your home in two to four weeks.

If you're purchasing a hat, order the Unisex Twill Baseball Hat (item number 552663). The hat has its own logo design.
